

# The Path to 2020 WIICITAAKEWIN 2017-2020 STRATEGIC PLAN

## Mission

Confederation College inspires learners to succeed in their lives and careers in northwestern Ontario and beyond.

## Vision

Confederation College will enrich lives through learning.

## Wiicitaakewin

(Wii-ci-taa-ke-win) is an Anishinaabe word that describes the process of helping or assisting others. Our Strategic Plan was developed within the context of the Negahneewin Vision. Confederation College provides education and work experience to improve the lives of others, while remaining committed to working with community members as true partners in community development through shared leadership.

## THE OPPORTUNITIES BEYOND 2020

**Completing ongoing Program Gap Analysis to meet the needs of our region**

**Growing northern program delivery through collaboration with our northern partners**

**Enhancing innovation and entrepreneurship**

**Creating teaching standards for Indigenous education**

**Celebrating cultural diversity**
