Part-time Seats in Day Courses

Fall Academy offers courses common
 to many college programs.

Check out our web page:
www.confederationc.on.ca/programs-courses/fall-academy

Continuing Education

Visit our website to register online or to view a full list of available programs and courses.

www.confederationc.on.ca/continuing-education

Every effort was made to ensure the accuracy of this document. For current information, please visit: www.confederationc.on.ca/continuing-education

General Information

General Information

For the most current information including admission requirements, office hours & holidays, course fees, parking, prerequisites as well as withdrawal, refund and academic policies please visit www.confederationnc.on.ca/continuing-education/general

Note: For general college inquiries call 475-6110.

How to Register

Thinking of registering? Be sure to register at least three business days in advance of course start date as courses may be cancelled due to insufficient registrations.

Web Register quickly and conveniently via our secure online shopping cart www.confederationnc.on.ca/continuing-education

For senior & staff discount rates or for more information contact Continuing Education at (807) 475-6550.

In Person: Register at The Hub, Shuniah Building, Confederation College. Monday-Friday, 8:30 am-4:30pm.

Course Fees

Total fees (including material fees, if applicable) are required at time of registration.

The 65 Advantage (not applicable to online courses)
Reduced tuition fees apply to individuals who are 60 years of age or older. Course tuition fees marked with an * are eligible. (i.e. \$177.00*)

Get acquainted with our **refund policy** before you register. Visit www.confederationnc.on.ca/continuing-education/general

Prerequisites

Some courses require prerequisites to be completed before registering. Please make sure that you have successfully completed the applicable prerequisite courses to avoid problems with the course material and/or with your transcript.

Class Locations

Most of our classes are held in the Shuniah Building at Confederation College unless otherwise noted. Please check the monitors at the entrances for room location.

SH	Shuniah Building
MC	McIntyre Building
D	Dorion Building
CN	Contact North, off campus
Confederation Online	Web-based, off campus
OntarioLearn	Web-based, off campus

Parking

You only need a parking permit if you are attending classes between 8 a.m. and 5 p.m. on weekdays.

Entry Requirements

Postsecondary Programs

Ontario Secondary School Diploma or successful completion of the mature student assessment or appropriate credits from Academic and Career Entrance.

Non-postsecondary Programs

Ontario Secondary School Diploma or nineteen years of age or older, unless otherwise stated.

Textbook Information

Most postsecondary courses as well as some general interest courses may require textbooks. Please inquire upon registering. Textbooks can be purchased on campus at the Follett Bookstore. For textbook inquiries please call 475-6225, toll-free 1 (877) 295-3851 or visit www.confederationnc.on.ca/book-store

Hours of Operation

Summer hours to Labour Day weekend, 8:30 a.m. to 4:30 p.m.

After Labour Day, Monday to Thursday 8:30 a.m. to 6 p.m. and Fridays 8:30 a.m. to 4:30 p.m.

The college will be closed September 5, October 10 and December 25 to January 2, 2017 inclusive.

Bookkeeping

Board of Governors Certificate (part-time 5402)

This program provides individuals with a basic foundation for maintaining the accounting records of entities in industry, commerce and government. The program is comprised of courses that include both theory and computer applications. You should have access to a computer, familiarity with the computer and keyboard proficiency. Students completing this program can also apply to the Canadian Institute of Bookkeeping (CIB), a national non-profit organization. CIB recognizes the courses that comprise the Confederation College Bookkeeping certificate as credits in their program, visit www.cibcb.com for more information.

Computer Applications for Business I and II

Recognition of Achievement (part-time 5000/5001)

The Computer Applications for Business I program is designed to train novice computer users, office personnel, supervisors, managers, and entrepreneurs on current computer software programs.

The Computer Applications for Business II program builds on the skills acquired in the first level. Participants gain knowledge and experience at the advanced level.

Fundraising Management

Recognition of Achievement (part-time 5076)

This program equips students with the skills necessary to enhance their marketable skills to successfully pursue a career in fundraising in the non-profit sector. Employment opportunities may include fundraising management and consulting for non-profit organizations, social welfare agencies, hospitals and health charities, university and college foundations, international development agencies, and community organizations.

Human Resources Management

Ontario College Graduate Certificate
(full-time 0272, part-time 0269)

Are you a “people person”?

Already have a college diploma or university degree, but want to switch gears to HR? Confederation College’s Human Resources Management one-year graduate certificate program is designed to help college and university graduates make the jump to Human Resources. This intensive program upgrades your education with a series of courses to develop your skill set for this in-demand field. Courses cover basic and advanced topics such as human resources, labour relations law, occupational health and safety and human resources planning. For full program information visit: www.confederationc.on.ca/program/human-resources-management-full-time.

This program is available part-time or full-time, apply at www.ontariocolleges.ca.

Law Clerk Certificate

Institute of Law Clerks of Ontario (part-time 5045)

This online program is offered in co-operation with the Institute of Law Clerks of Ontario. It is strongly recommended that students have a minimum of three years experience in a legal environment due to the intensity of the courses. Individuals wishing to pursue a career in the legal department of a trust company, local, provincial and federal governments, and larger commercial firms may find this program of interest.

Financial Assistance

Financial aid options may be available to students who are considering enrolling in postsecondary OSAP approved programs.

Call 475-6637 for more information.

Required Courses and Program Information

For current part-time program information including required courses, admission requirements, and online application visit our website

www.confederationc.on.ca/continuing-education/certificates-and-programs

Leadership Development Series

Board of Governors Certificate (part-time 5200)

This program will enhance leadership skills and develop new skills to help meet career and organizational objectives. The program will provide a solid foundation for those looking to enter leadership positions, and for those currently in front line or mid-level management positions. The program will build on existing skills and experiences and apply those skills to workplace situations. Content includes communications, ethics, performance management, change management, team building, planning, and project management.

Legal Office Assistant

Recognition of Achievement (part-time 5025)

The focus of this online program is to develop strong office support skills with emphasis on interpersonal, organizational and communication skills. Graduates of this program will be prepared for standard operational procedures that are required for the smooth operation of a legal office. This program is offered entirely online and has been designed for students with little or no previous business or legal office experience.

Library and Information Technician

Ontario College Diploma
(full-time and part-time 0235)

This online program has been designed to prepare students for employment in schools, libraries and other information service settings. Through a carefully designed program of study that combines theory and hands-on practice, students learn to acquire, organize, produce, retrieve and disseminate information in all formats. For full program information visit: www.confederationc.on.ca/program/library-and-information-technician-part-time.

This program is available part-time or full-time, apply at www.ontariocolleges.ca.

Required Courses and Program Information

For current part-time program information including required courses, admission requirements, and online application visit our website www.confederationc.on.ca/continuing-education/certificates-and-programs

Office Administration-General

Ontario College Certificate
(full-time 0230, part-time 0233)

Launch Your Office Administration Career in Just One Year!

Are you organized, have an eye for detail and like the idea of being an essential part of a busy office environment? With today's changing and diverse workplace, office assistants are taking on more and more complex tasks. That's why office assistants need excellent communication, human relations and technology skills.

Confederation College's Office Administration - General One-Year Ontario College Certificate program gives you those skills in an intensive program so that you can get on with your career faster. Courses cover areas such as office procedures, persuasive writing, presentations and spreadsheets, bookkeeping and advanced documents and desktop publishing. For full program information visit: www.confederationc.on.ca/program/office-administration-general-ft.

This program is available part-time or full-time, apply at www.ontariocolleges.ca.

Small Business Development

Recognition of Achievement (part-time 5075)

Owning and operating your own small business may be one of the most rewarding although demanding of career options. Help develop the skills and knowledge you need for successful small business ownership or management.

Workplace Health & Safety

Recognition of Achievement (part-time 5074)

There is a growing concern for the safety of people in their work environment and the related hazards that may be found there. Prompted by governments and their agencies, labour and management have identified the need for greater experience, knowledge and expertise in the field of occupational health and safety for the protection of people in the workplace. Graduates of this program will benefit from a preparatory foundation of study that may help them in pursuit of opportunities in this field. Upon successful completion of all courses, students must provide proof of a valid Standard First Aid and Basic Rescuer CPR to obtain Workplace Health and Safety Recognition of Achievement.

Business & Computer Courses

Accounting - Introduction **OL090**

This is part one of the financial accounting course. Topics covered include recording business transactions, preparing financial statements, end-of-period adjustments, accounting for merchandising firms, accounts receivable, cash management and an introduction to financial ratios.

Sept. 6-Dec. 13	10221-41
Online-Web	\$428.60

Leading Responsibly **OL994**

Sustainability in business is often related to profitability. Organizations now need to incorporate practices that include a more holistic approach to the responsibility corporations have to their communities and the environment. Leaders need to assess the impact of the business in an ethical and globally sustainable way using measures such as Corporate Social Responsibility and triple-bottom line accounting.

Sept. 6-Dec. 13	11919-41
J. May	Online-Web \$327.40

Microsoft Office 2013 **OL784**

This course will familiarize students with the applications contained in the Microsoft Office Professional or Academic or University Edition of Microsoft Office 2013 covering Word, Excel, PowerPoint, Access and Outlook. Students must be familiar with their PC and its Operating System, be able to use the Internet as well as receive and send e-mail, including attachments. Microsoft Office 2013 Professional or Academic/University Edition including Word, Excel, PowerPoint, Outlook and Access MAC users NOT supported in course

Sept. 6-Dec. 13	11889-41
Online-Web	\$407.36

Speechcraft - Toastmasters **ZB553**

Challenge yourself to present more comfortably in public! The Toastmasters International Speechcraft program provides the opportunity to learn, practice, share and have fun. This is a "hands-on" improve-by-doing program, run in conjunction with a regular Toastmasters meeting. People come to our classes because they are afraid to speak and stay because they discover it's fun! **Material fee (which includes a manual) of \$10 cash only will be collected on first night of the course.**

Visit <http://2090.toastmastersclubs.org/>

Confederation Online and OntarioLearn

The online learning environment provides students with access to their courses 24/7. A class schedule is posted at the beginning of the course. Students work independently but **must adhere** to the schedule for submission of assignments, discussions and exams. Instructors are accessible via a number of electronic communication tools, such as email, course chats, and discussion boards. Before the course begins, students will receive an email with start-up instructions including information on course materials.

Courses delivered through OntarioLearn may be delivered using Blackboard, Moodle, D2L, Angel or other learning management systems. Confederation College's online learning courses are completed using a learning management system (LMS) called Blackboard.

Over 100 online learning (OntarioLearn) courses have been approved as equivalent to Confederation College credit courses. General education and post-secondary courses are available throughout the year. Visit www.confederation.on.ca/continuing-education/online-learning/ontariolearn for more information.

Part-time Courses - Days, Evenings & Online

Fall Academy offers courses common to many college programs. Check out our web page: www.confederation.on.ca/programs-courses/fall-academy

Register Early!

Courses fill fast - if you wait until the last minute to register it may be too late.

Don't miss out or be disappointed! Plan your schedule, choose your courses of interest and register three business days prior to course start unless otherwise noted. Visit www.confederation.on.ca/continuing-education

OntarioLearn Textbook List Fall 2016

If you are taking an OntarioLearn course please visit: www.confederation.on.ca/continuing-education for textbook information.

Textbooks Required

Textbooks may be required for most postsecondary courses and some non-postsecondary courses. Visit www.confederation.on.ca/book-store

Aboriginal and Canadian Relations

Board of Governors Certificate
(full-time and part-time 9611)

Will your work intersect with Aboriginal peoples, which are First Nations, Metis or Inuit communities? If your answer is yes, you should consider adding the Aboriginal Canadian Relations Certificate to your diploma. For full program information visit: www.confederationc.on.ca/program/aboriginal-canadian-relations.

Visit www.confederationc.on.ca/aboriginal-canadian-relations-application to apply.

Autism and Behavioural Sciences

Ontario College Graduate Certificate
(part-time 0632)

This Ministry of Training, Colleges and Universities online certificate program, has been designed to build on the student's previous training with a specialization in the area of autism or behavioural challenges. Students will be introduced to a variety of procedures used to assess and treat challenging behaviours. The program features two placements which will provide students with hands-on experience and the opportunity to put the knowledge obtained in their theory courses into practice. For full program information visit: www.confederationc.on.ca/program/autism-and-behavioural-sciences.

Visit www.ontariocolleges.ca to apply.

Concurrent Disorders

Ontario College Graduate Certificate
(full-time or part-time 0190)

Extend Your Skill Set

Those working in social services understand that people experiencing difficulty in their lives often face multiple issues. As a social worker, what's the best way to approach these complex problems? That's the focus of the Concurrent Disorders program. This one-year certificate program covers many areas including epistemology of concurrent disorders, mental health issues and interventions, addictions issues and interventions, counselling, treatment and relapse prevention, and safety and crisis intervention. This program will provide you

with an understanding of concurrent disorders; the impact they have on individuals, families and communities; and, most importantly, how to support individuals with concurrent disorders.

For full program information visit:

www.confederationc.on.ca/program/concurrent-disorders.

Visit www.ontariocolleges.ca to apply.

Food Service Worker

Board of Governors Certificate (part-time 0696)

The Food Service Worker (FSW) assists with food preparation and safe food handling for many avenues of the food industry. Graduates may find employment in most institutional food preparation settings such as homes for the aged, community based facilities, supportive housing, hospitals and restaurants. This online program will also enhance the skills of people currently employed in an institutional food preparation setting, whether it is a commercial or long-term care facility.

For full program information visit:

www.confederationc.on.ca/continuing-education/certificates-and-programs

Leadership in E.C.E.

Recognition of Achievement (part-time 5250)

This program is intended for childcare program supervisors, front line Registered Early Childhood Educators designated to leadership positions and/or responsibilities and to Registered Early Childhood Educators aspiring to become supervisors in the field of Early Childhood Education.

Financial support may be available to eligible applicants in the form of Leadership Education Grants and Leadership Travel Grants from the Early Childhood Educators Qualifications Upgrade Program. Please visit www.ecegrants.on.ca for more information.

General Education

Building Skills for Success OL984

This transformative course will provide you with the practical skills, knowledge and attitudes you need for success in college, your career and your life. In order to maximize your post-secondary experience, you will learn about your personal learning style, how to study effectively, how to take notes, how to manage your time, the importance of effective communication and much more. You will also discover specific abilities and characteristics that will provide you with the opportunity for personal growth and increased well-being. Learn how to maximize your potential with this course!

Sept.6 - Dec.13	13389-41
	Online-Web \$428.60

History/Aboriginal Can. Relations OL843

This course provides an overview of the historic stages of the relationship between Aboriginal peoples in Canada from contact to present day. It will explore the different world views at contact, the years of cooperation and negotiation through the fur trade and treaty making era and the impact of government colonial policy on Aboriginal communities, cultures and peoples. The course will also explore the progress towards a renewed relationship since the Constitutional recognition of Aboriginal rights. It provides an important context for understanding contemporary issues between Aboriginal and Canadian societies including land claims, treaties and self-government.

Sept.6 - Dec.13	13383-41
E. Bishop	Online-Web \$428.60

Indigenous Identity & Relationship to the Land OL848

The purpose of this course is to encourage students to experience and explore Indigenous cosmology, knowledge and world view and its relationship to the land. The influence and importance of land on Indigenous world view will provide a way of understanding the contemporary perspectives on identity and self determination. In addition, students will be encouraged to examine and locate their own identity and world view in relation to these concepts.

Sept.6- Dec.13	11954-41
C. Pace	Online-Web \$428.60

The Ontario Metis OL868

This course introduces the historical, sociological, and political perspectives on the origins of the Ontario Metis people. The course analyzes, in broad terms, the emergence of the Metis peoples and their relationship with the provincial government. We will also explore trends and issues affecting the Ontario Metis in contemporary society.

Sept.6- Dec.13	12953-41
B. Scott	Online-Web \$428.60

Wellness for Life OL985

The physical, emotional, social, intellectual, and spiritual dimensions of health are the focus of this course. Students will be provided with current factual information about a broad range of health-related issues including stress, substance abuse, sexuality, fitness, weight management, environmental concerns, and death and dying.

Sept.6 - Dec.13	12396-41
	Online-Web \$428.60

Confederation Online and OntarioLearn

The online learning environment provides students with access to their courses 24/7. A class schedule is posted at the beginning of the course. Students work independently but **must adhere** to the schedule for submission of assignments, discussions and exams. Instructors are accessible via a number of electronic communication tools, such as email, course chats, and discussion boards. Before the course begins, students will receive an email with start-up instructions including information on course materials.

Diabetes Education

Ontario College Graduate Certificate (part-time 0474)

The *New Diabetes Education* post-graduate program is designed for regulated health care professionals seeking knowledge and skills in diabetes treatment and management. The program offers a firm foundation in diabetes education including evidence-based knowledge and skills in assessment, self-management and treatment strategies in diabetes care. The curriculum incorporates a variety of health teachings including those related to Indigenous culture to enhance the health and wellbeing of diverse populations living with diabetes.

The field placement component provides an opportunity to gain direct experience supporting clients and families through assessment, planning and promoting self-management within an inter-professional team environment. *New* to the program is an online practicum component which focuses on collaboration, community partnerships, prevention and health promotion in diabetes. This program is available part-time, apply at www.ontariocolleges.ca.

NOTE: This program is not affiliated with The Canadian Diabetes Educator Certification Board (CDECB) but may assist in preparing students to write the CDE exam.

Foot Care Nurse Program

Part 2 of the Foot Care Nurse Program may be offered Spring 2017. **However, it will not run without a minimum number of participants.** This program may be delivered through online learning, lectures and clinicals. Nurses will be expected to complete mentorship and a clinical held at Confederation College in Thunder Bay with an onsite Foot Care Nurse Educator. Nurses who are interested in taking this program and previous Foot Care Kingston Nurse graduates (Part 1 through Foot Care Kinston is a pre-requisite) who are practicing in the Thunder Bay area and would like to take part of this program as a refresher, are **encouraged to call 475-6189** to have their name added to an interest list. For more information visit www.confederationc.on.ca/ce-program/foot-care-nurse

Hospital Ward Clerk/Secretary

Recognition of Achievement (part-time 5055)

This online program is designed to provide the theoretical training necessary to obtain employment as a Hospital Ward Clerk/Secretary. Students are expected to have the equivalent of an introductory computer-typing course.

Health Records Clerk

Recognition of Achievement (part-time 5073)

This online program provides students with the skills and medical background knowledge to obtain work in the health records departments of clinics, hospitals or insurance companies. Graduates of this program will benefit from a preparatory foundation of study that may help them in their pursuit of opportunities in this field.

Working with Dementia

Recognition of Achievement (part-time 5077)

This online program is for those interested in building on knowledge, skills and competencies to care for and enhance the quality of life for those with dementia, their caregivers, and families. Potential applicants include paraprofessionals and volunteers with varying educational backgrounds.

Dental Radiography

DE115

This course is designed to familiarize students with the theory and practice of radiation protection and safety techniques to ensure their compliance with the high standards of the Healing Arts Radiation Protection Act of 1984. Students will learn to safely operate dental x-ray units and to produce high quality traditional and digital radiographs. They will acquire skills in client management in the identification of normal and abnormal radiographic landmarks, and in the recognition and solution of the common problems that arise in the production of acceptable radiographs. Course theory will be delivered via Distance Education and students will be required to travel to Thunder Bay for a weekend lab. Dates to be announced. **Prerequisites:** OSSD, Current First Aid and CPR Level C and must be actively employed in a dental office. Textbook required. Please call 475-6550 to have your name added to an interest list or for more information.

** Actual class dates and price TBA

Culinary

Sausage Making **ZB086**

Join Dave from Maltese Grocery for this very informative evening of hands-on training and demonstrations. Learn about different recipes and styles of sausages, various seasonings, and the equipment needed to make your own sausages. Students will enjoy samples and take their own sausage home at the end of class. Please bring an apron and take home containers.

Gentle Persuasive Approaches (GPA®) in Dementia Care: Supporting Persons with Responsive Behaviours ZD098

GPA Basics is a 7.5 hour evidence-based education session offered by the Alzheimer Society of Thunder Bay and is open to students registered in a program that is preparing them to work with older adults. The program is designed for those who will care for older adults who display responsive behaviours associated with dementia. GPA is taught Canada-wide to care providers across various sectors. Learners complete four modules which include interactive exercises, creative multimedia, and reflective learning. Learners gain purposeful knowledge and develop skills that can be immediately used at the point of care. Suggested attendees are those in Personal Support Worker, Nursing, Paramedics, Recreational Therapy, Developmental Service Worker and Social Services Worker programs. **There is no cost for this all day workshop however students must purchase the manual. Please call Follett bookstore to purchase required textbook for at 475-6225. Participants must register for this free workshop in order to attend and seats are limited.**

Alzheimer Society

THUNDER BAY

Understanding Alzheimer's disease – Let's Talk about Dementia ZD097

The goal of this session is to increase your understanding of dementia and to provide you with information and strategies that will enhance your interactions with people living with dementia. This interactive session will cover: facts about dementia in Canada, brain health and dementia, communication strategies, overcoming stigma, overview of resources available to individuals and their care-partners and ways to make a positive difference in the lives of people with Alzheimer's disease and other dementias. This free session offered by the Alzheimer Society of Thunder Bay will be offered via video conference to the region. To those attending in Thunder Bay please come to D301 of the Shuniah building. **Participants must register for this free workshop in order to attend.**

Want to show off your
Canadian hospitality?

Become a Homestay Host!

Who are our homestay hosts?

Hosts are friendly and open-minded people from all walks of life, who are interested in sharing their home with someone from another culture. Hosts vary from young families with children & pets, to couples and single individuals.

What do our hosts provide?

- A private room and access to household amenities
- Two options (with or without meals)
- Support, friendship and involvement with individual/family activities
- Introduction to Canadian life & culture

What's in it for you?

- Exposure to another culture & language
- New perspective on Thunder Bay & the world
- Lifelong friendships with students & fellow hosts
- Compensation in more ways than one!

We are currently seeking Homestay Hosts in the South Ward and close to Thunder Bay International Airport.

Participation is subject to a satisfactory home visit and criminal record checks for all adults in the home.

For more information please contact:

Change Your Life Through Learning

Geographic Information Systems (GIS)

Recognition of Achievement (part-time 5022)

This online program provides an introduction to Geographic Information Systems (GIS) for people who are or will be end users of GIS and those who wish to increase their knowledge of this emerging technology. Individuals working in Urban Planning, Civil Engineering, Transportation Engineering, Resources and Business may find this program of interest.

Required Courses:

Visit www.confederationnc.on.ca/ce-program/geographic-information-systems

Home Inspection

Recognition of Achievement (part-time 5060)

Learn how to help homebuyers make informed decisions about their prospective new home. Successful completion of this program fulfills the academic entrance requirements of the Ontario Association of Home Inspectors (OAHI) provided that a 70% average is maintained in each of the subjects being submitted to OAHI for consideration. Students must still complete the Defect Recognition and Reporting Subject, which must be taken through the OAHI directly, as well as the two Ontario Building Code Subjects: Part Nine – Building Envelope; Part Nine – Health and Safety. After successful completion of the mandatory educational requirements, the individual can apply for association membership with the OAHI.

Please visit www.oahi.com for a full overview of the OAHI profession and membership.

Required Courses:

Visit www.confederationnc.on.ca/program/home-inspection

Ozone Depletion Prevention Certificate IB802

This environmental awareness training course is based on Environment Canada's "Code of Practice for Reducing CFC Emissions in Refrigeration and Air Conditioning Systems". The course deals with environmentally correct equipment design, proper handling of CFC/HCFC/HFC's and will prepare the participants for complying with provincial regulations covering refrigeration and air conditioning systems. NOTE: this course is strictly theory and does not incorporate hands-on training. Students attend at Contact North, 104-1139 Alloy Drive. Environmental Awareness Cards (ODP cards) are issued by HRAI upon successful completion of this course and exam.
