

UPCOMING EVENTS!

THUNDER BAY

September 9, 2023

Maadaadizi

Marina Park - Thunder Bay

This annual Indigenous post-secondary student orientation is organized by Seven Generations Education Institute and several community partners. They are welcoming post-secondary Indigenous students and their families to their respective campuses and to the City of Thunder Bay. NEW will be on-site to share information about employment opportunities and services available.

September 13 & 14, 2023

CEN-CAN Expo

Fort William Gardens - Thunder Bay

Central Canada's Resource Expo 2023 is just around the corner with over 300 exhibitors showcasing the latest technologies, services and advancements! If you're looking to strike gold, contact NEW! We will explore your employment needs and hammer out a plan to help you succeed in today's labour market.

September 19 & 20, 2023

Level-Up! Skilled Trades Event

CLE Coliseum - Thunder Bay

Level Up! is an Ontario Government initiative program designed to introduce high school students to the skilled trades. It's a way to show young people the options out there, talk face to face with people working in the trades, ask questions and get first-hand information. To support apprenticeship in the region, NEW will have a booth to connect with those interested in working in the trades.

September 20, 2023

CarePartners Information Fair

NEW Office - Thunder Bay

NEW will be hosting an information fair in support of CarePartners; an accredited home health care provider. Stop by our office - 960 William Street, Thunder Bay from 10:00am-4:00pm to receive information about CarePartners, training and employment opportunities. CarePartners are actively recruiting Personal and Home Support Workers.

DRYDEN
