Overview

Be the Backbone of Healthcare

Confederation College's Pharmacy Technician program is your gateway to a rewarding career in the world of pharmacy. This two-year program is designed to equip you with the knowledge and skills needed to provide essential pharmacy services.

Our program is approved by the College of Pharmacists of Ontario, ensuring that graduates are eligible to apply for registration as Pharmacy Technicians in the province.

Top Highlights

- Eligibility for registration with the College of Pharmacists of Ontario
- Hands-on clinical experience working alongside experienced Pharmacy Technicians
- Accredited program that meets industry standards and prepares you for real-world challenges

Experiential Learning

Labs, Placement

Employment Opportunities

Pharmacy Technicians play a vital role in healthcare, ensuring that patients receive the right medications and support they need. With a Pharmacy Technician diploma from Confederation College, you'll be well-prepared to embark on a fulfilling career in the pharmacy industry.

Our program opens doors to various career opportunities, including hospital pharmacies, community pharmacies, and more. You can even pursue further education and specialization in pharmacy-related fields.
