This program gives a well-rounded education to prepare students for a wide variety of business careers. If students wish to specialize, they can choose to transfer to Accounting, Human Resources, or Marketing after their first year.

Confederation College's Business program is a two-year Ontario College Diploma program for students who want a comprehensive education in all areas of business. They learn the basics of finance, entrepreneurship, marketing, accounting, human resources, and organizational behaviour to give a broad understanding of these key areas. This program will help students prepare for a wide range of job opportunities in business, giving a solid foundation to build a promising career.

Upon graduation, job vacancies are available in the Thunder Bay area and across Canada. Graduates of the Business program may build a career in many different areas including retail sales, wholesale/commercial sales, general administration, business management, retail trade, and customer service. Graduates work in a wide variety of industries including retail, business-to-business companies, resource sector (mining, forestry, transportation, energy, etc.), government, banking, and non-profit.
