### Purpose

The College recognizes that exposure to products containing fragrances can trigger serious health reactions in individuals with asthma, allergies, migraines, or chemical sensitivities.

Further to the College's *Health and Safety Policy*, *Human Rights Policy* and *Accessibility and Accommodation Policy*, the following guidelines, are intended to reduce the use of products containing added fragrances, in support of a safe and healthy learning and teaching environment.

### Definitions

"Fragrance-free" in the context of these guidelines refers to measures taken to reduce the use of products containing fragrances.

"Unscented" products, in contrast to "scent -free" products, may contain fragrances used as masking agents.

"Scented products" have naturally occurring scents (like motor fuel, cooking odours) that cannot be masked or eliminated and are not included in this practice.

"Unscented products" cannot be detected and are not included in this practice.

### Policy Statements

- **Implementation:**

1. Individual members of the College community will avoid the use of the following products:
  - perfume, cologne, or aftershave;
  - personal care products containing fragrance, such as soaps, hand lotions, deodorants, hair products, body powders, sprays and lotions, makeup, shaving cream, sunscreen; and
  - laundry products containing fragrance, such as fabric softeners and laundry detergents.
2. Individual members of the College community will refrain from introducing the following products into College facilities:
