Ontario College Graduate Certificate	Fall: 0684	Health	Thunder Bay	2 years

Overview

Are you a certified Primary Care Paramedic ready to expand your scope of practice and make an even greater impact on patient care? Confederation College's Advanced Care Paramedic program takes your skills to the next level, enhancing your ability to ease pain and suffering in critical situations.

Built upon the foundation of Primary Care Paramedic education, this program sharpens your critical thinking during high-level emergencies, broadens your Controlled Medical Act skill base, and hones your ability to perform under pressure. Upon completion, you'll be prepared for specialized training in urban, flight, and tactical paramedic communities.

Top Highlights

- **Scaffolded Learning:** Strong foundation in theory, skill proficiency, and immersive simulation.
- **Personalized Attention:** Small class size (10 students max) with a 5:1 student-instructor ratio in labs.
- **Hands-On Experience:** 158 hours of clinical experience at Thunder Bay Regional Health Sciences Center.
- **Real-World Practice:** 432 ambulance field placement hours with Superior North Emergency Medical Services.
- **Flexible Learning:** Classroom schedule allows maintaining employment while in the program.
