1. CALL TO ORDER

The Chair called the meeting to order at 8:30 a.m. and acknowledged that we are on the traditional land of the Anishinaabe people, those of Fort William First Nations and other nations of the Robinson Superior Treaty of 1850.

The Chair read aloud the following good news stories, relative to the 50th Anniversary Launch at Confederation College:

During the week of January 11, 2017 Confederation College, both locally and in the region, officially launched a year of celebrations for its 50th Anniversary. Students started things off with Confederation’s First 50th Birthday Party in the afternoon, while employees, alumni, donors, partners and community members were welcomed to a Launch event in the evening.
1. CALL TO ORDER (Continued)

President Jim Madder said “Confederation College has a rich history of supporting learners in northwestern Ontario and we are very proud and excited to be celebrating our momentous 50th Anniversary year in 2017. This year will not only be one of celebration, but will help us to reflect on our history, reconnect with members of our College and broader communities, and spark conversation about our future. It is also an important opportunity to recognize the incredible support we have received from our students, employees, alumni, donors and community partners over the years. Together we have built an admirable legacy for education in northwestern Ontario.”

The 50th launch for Distant Education (DE) students was held on January 25, 2017. All students were mailed a package with balloon, napkin, hot chocolate package, and were invited to attend a virtual launch (local DE students could also attend at the Thunder Bay campus) through the Saba Centra app on my phone and join that way! It wasn’t a large group but it was really fun! We talked about what DE must have looked like 50 years ago, how far we’ve come, and what it might look like in the future! Thanks to all.
