

I am Deanna Kerkvliet (they/she), the new Pride Centre Facilitator at the College. I am here to offer services to the various members of the college community, and the 2SLGBTQIA+ community in particular. My associations with Pride Central and Thunder Pride, as well as my formal education, has provided me with the knowledge and ability to facilitate the Pride Centre. I am happy to join the College to establish a safe, welcoming space for the 2SLGBTQIA+ community. Through the Art Hive project, I have planned for interesting, exciting, socials, activities, and workshops that I hope you will join.

I look forward to meeting you! Please drop by for a visit! You can find me in the Shuniah Building Library, in Room 226 Tuesday to Thursday from 9:30AM to 6:00PM or email me at [deanna.kerkvliet@confederationcollege.ca](mailto:deanna.kerkvliet@confederationcollege.ca)
