OPERATING PRACTICE

- Meeting notices, agendas and minutes should be sent electronically whenever possible.
- The Dean/Coordinator requesting an appointment to a specific advisory committee must confirm that the individual being recommended is willing to serve on the committee. The Dean must ensure that Form A – *Recommendation for the Program Advisory Committee Member Appointment* (Appendix I) is completed in its entirety.

Recommended: *Input a new member's name, generate a Form A, highlight the areas that need completion and then give it to the Dean and/or Coordinator for completion. This way the database shows prospective members immediately.*

- Requests for the appointment of committee members will be forwarded by the academic school concerned to the Board of Governors (BOG) prior to the commencement of the appointment date using Form A. These requests must be directed to the Administrative Assistant to the Vice President Academic for review two weeks prior to the BOG meeting. They will then be sent to the Executive Assistant to the Board of Governors and must include Form A and Form B. In addition, a summary of the nominees indicating the name and the reason for the appointment/reappointment of each must be completed and submitted by the Dean using Form C (Appendix III).

Recommended: *The letters of appointment/re-appointment should be attached for the President to sign and dated 10 days after the Board meeting. Once approved by the Board and the letter(s) signed by the President, the letters will be returned to the academic office for mailing to the advisory committee member. The Board approval and the appointment letter dates must then be entered into the database.*

- The academic school will be responsible for maintaining an updated advisory committee membership list using Form B (Appendix II).
- The agenda for each meeting will be prepared according to the format and content guidelines on Page 7.
- Minutes shall be recorded for all meetings according to the format and content guidelines outlined on Page 9. The minutes shall be reviewed by the Dean and the Vice President Academic and approved by the Board of Governors. The final copy shall normally be signed by the committee Chair. Copies of the minutes shall be distributed as follows:
 - one copy to each committee member
 - one copy to the Vice President Academic
 - one copy to the academic school office file
 - one copy to the Executive Assistant to the Board of Governors for distribution
- Members may be recommended for reappointment for a further term using Form A (see Appendix I).
- When an advisory committee member resigns, moves, etc., a letter of thanks will be generated by the academic school and forwarded to the President's office for signature. If the member is to be replaced, Form A must be submitted by the Dean to the Vice President Academic, for approval and then forwarded to the Executive Assistant to the Board for approval.
- Members of the advisory committee shall be provided with a complimentary day parking permit for the day of the meeting.
