Complete the Campus Employment Application Package online, and ensure to attach your resume and class schedule. Upon hiring, all applicants must complete the Worker Health and Safety Awareness in 4 Steps training program, or provide proof of certificate from previous completion. All students are also required to complete the COVID-19 Return to Campus Training.

Qualifications Must have knowledge of the Aerospace Manufacturing Program. Must have some

experience in a machine shop. Knowledge of safe operation of shop equipment.

Duties Responsible for clean up of machine shops. Organize tools in shops, minor tool

maintenance, inventory control & tool sharpening. Must use and care for fine measuring instruments such as micrometers. Operate and demonstrate manufacturing equipment. Prepare specimens for use in manufacturing labs. Work in compliance with the Occupational Health and Safety Act. Reasonable accommodations are available upon request for all parts of the recruitment process.

With the ongoing COVID-19 pandemic, Confederation College will continue to take direction from Ontario's Chief Medical Officer of Health as well as our federal, provincial and local health authorities. The health and safety of our students, employees and entire College community remains our priority. As such, the successful candidate will need to complete the mandatory COVID related training provided by the College, as well as follow specific guidelines as outlined by supervisors in your department.
