Complete the Campus Employment Application Package online, and ensure to attach your resume and class schedule. Upon hiring, all applicants must complete the Worker Health and Safety Awareness in 4 Steps training program, or provide proof of certificate from previous completion. All students are also required to complete the COVID-19 Return to Campus Training.

Qualifications	Preference will be given to a past or present paramedic student or a student enrolled in a Health Sciences Program of study. It is recommended that the successful candidate has good organizational, communication, comprehension and time management skills. Requires a basic knowledge of Health Science equipment and supplies.
Duties	Assist the Instructor by keeping the labs in good working order, upholding health and safety practices including decontamination of lab spaces, unpacking and organizing lab supplies, maintaining the lab equipment, preparing for labs, updating consumable inventory, and the running of practice labs. Other duties as assigned. Work in compliance with the Occupational Health and Safety act.

With the ongoing COVID-19 pandemic, Confederation College will continue to take direction from Ontario's Chief Medical Officer of Health as well as our federal, provincial and local health authorities. The health and safety of our students, employees and entire College community remains our priority. As such, the successful candidate will need to complete the mandatory COVID related training provided by the College, as well as follow specific guidelines as outlined by supervisors in your department.
