|----------------|---|
| Qualifications | Student Computer Peer Tutors must have above-average knowledge of computers and college student software (Windows, MS Office, Internet Applications, Blackboard, etc.) as well as good communication skills for explaining technical concepts to others.  |
| Duties         | Working directly in the College computer labs, the Student Computer Peer Tutor assists students with minor academic tutoring on how to use Blackboard, Windows, MS Office, and other such college academic applications. Also ensures that computer lab area is kept quiet and secure. Work in compliance with the Occupational Health and Safety Act. Following COVID-19 protocols and sanitizing computers, stations and equipment. |

*With the ongoing COVID-19 pandemic, Confederation College will continue to take direction from Ontario's Chief Medical Officer of Health as well as our federal, provincial and local health authorities. The health and safety of our students, employees and entire College community remains our priority. As such, the successful candidate will need to complete the mandatory COVID related training provided by the College, as well as follow specific guidelines as outlined by supervisors in your department.*
