

CONFEDERATION COLLEGE BOARD OF GOVERNORS

BOARD REPORT

MEETING TYPE:	Board	REPORT NUMBER:	36-2021
MEETING DATE:	November 10, 2021	DATE PREPARED:	October 26, 2021
SUBJECT:	EL-1 – General Global Constraint		

MOTION:

THAT Board Report No. 36-2021 relative to EL-1 – General Global Constraint, presented to the Board of Governors on November 10, 2021, be approved.

PURPOSE:

To receive information confirming that hat the President has neither caused or knowingly permitted any practice, activity, decision or organizational circumstances that is unlawful, imprudent or in violation of commonly accepted business and professional ethics.

BACKGROUND:

The Minister’s Binding Policy Directive 1.0 Governance and Accountability Framework and Board-President Relations Resource Document sets out high-level responsibilities and accountabilities of the Board of Governors and its relationship with the President. The Board of Governors accepts responsibility for ensuring that the business and activities of the College are carried out in accordance with legislation, regulations, Minister’s binding policy directives and the by-law governing the College.

DISCUSSION:

The external financial auditor provided an unqualified opinion on the College financial statements for the year ended March 31, 2021, with no material questions related to any business practices or unrecorded liabilities. The Audit Committee and the Board of Governors approved this report on June 1, 2021, and June 11, 2021, respectively. The auditors complimented on the excellent preparation for the audit, which had to be conducted almost exclusively virtually, due to COVID 19.

There have been no substantiated complaints of unethical actions or activities, or of human rights violations. The College is in compliance with any orders issued by various regulatory agencies. The College has not been successfully sued nor fined for any illegal activities in the past year.

Included in their review of college files, the auditors had asked the College’s lawyers to identify any significant or potential liabilities and to estimate the related liability with the result noted above. Nothing material was identified. There have been no fines or lawsuits for illegal activities as evidenced by our legal counsel.
