COLLEGE

John Andrews Foundation Dental Clinic Preventive Oral Health Services

What we can do for you

- We provide preventive oral health services to students and the community.
- Appointments include a complete examination, oral health education, and a thorough cleaning/scaling of teeth.
- Treatments included radiographs, sealants, polishing of teeth, nutritional counseling, fluoride, and desensitizing (based on patient needs).
- Fabrication of whitening trays and sports mouth guards are offered at an additional fee.
- All care is provided by Dental Hygiene and Level II Dental Assisting students and supervised by faculty that are registered professionals.
- We welcome patients of all ages.

Appointment Information

- Appointments are 2 hours in length.
- Multiple appointments may be necessary to complete the required treatment.
- Parking passes available from dental receptionist.
