### Important Notes Regarding the Above Data

#### Student Loan Defaults :

- Default rates are calculated based on the last program attended by the student. Students could therefore have outstanding loans brought to Confederation College from previous programs and previous institutions.

(1) Number of students at this institution who received an Ontario (OSL) or a Canada (CSL) Student Loan in 2012/13, and did not receive funding in 2013/14

(2) Number of students at this institution who received an OSL or CSL in 2012/13 and did not receive funding in 2013/14 and who defaulted on their OSL repayment obligations as of July 2015.

(3) Number of Loans in default as a percentage of the Number of Loans Issued

Not reported, not applicable- program of studies was either not reported, or not applicable to the student

Unmatched- the student record in the OSAP database could not be matched with the college enrolment file

\* Number of Ontario Student Loans issued was less than 5, default information has not been shown.

#### Graduate Employment Rates 2015 :

- All information was collected directly from graduates by an independent organization using a standardized provincial survey.

82% of graduates available for employment found employment within 6 months of graduation

61% of graduates found employment in positions related to their studies

21% of graduates are employed in positions not related to their studies

\* Number of graduates who responded was less than 5

#### Graduation Rates:

\* Number of entrance to the program was less than 5
