

ROBIN GATHERCOLE

AEROSPACE MANUFACTURING ENGINEERING TECH.

ABOUT ROBIN

I am a father of 5 children, honor roll student in the A.M.E.T. program, and current Director of Athletics of SUCCI. My lived experience has taught me the importance of teamwork, collaboration, patience, and perseverance. Skills that would make me a dedicated and reliable advocate for the student body.

WHAT SHOULD SUCCI DO FOR STUDENTS:

- Continue its involvement in student advocacy across the province to ensure our voices continue to be heard in the north.
 - Continue its effort to create a safe, inclusive campus for all students.
 - To help students find solutions to things such as:
Housing, Food, School supplies, Transportation
 - Continue to empower students with tools and resources to support mental wellness.
 - Help students be the best they can be
 - Find creative activities to get students active
- And as many of you have requested... More free popcorn, coffee, and food

WHAT MAKES YOU THE BEST CANDIDATE?

- My experience as Director of Athletics and Campus Recreation has taught me how to mobilize college resources into activities and events that are meaningful and engaging for students. I have a great understanding of how to turn student ideas into action!
- As a third year student in the Engineering Department, I have gotten to know many students, and gained an understanding of the diverse perspectives, challenges and ideas coming up for students.
- I sincerely wish to help all students achieve their dreams! Even if its simply listening to a student over a cup of coffee.
