

KAI FUCILE LADOU CER

MECHANICAL ENGINEERING TECHNOLOGY

ABOUT KAI

I was captain of Superior Robotics for two years
I am the co-founder and president of a student think tank called NSII
Working with a college therapist to create a men's mental health group
I am a lifelong martial artist who incorporates his teachings into every aspect of his life

WHAT SHOULD SUCCI DO FOR STUDENTS:

- I want to truly address the mental health problem present amongst youth
- I want to give students more options for food at the cafeteria
- I want to see events inspired by the cultures of students at the college
- I want to see more of an attempt to involve Dorion students in activities on campus
- I want to bring more art & culture to the school through the different programs
- I want to inspire more innovation
- I want to inspire students to get more involved in the community and create more clubs and organisations

WHAT MAKES YOU THE BEST CANDIDATE?

- I have experience in leadership roles
- I am very passionate about improving the Confederation College community
- I have become familiar with the SUCCI system from being one of their "go-to" action network employees
- I am someone with vision, passion, & the dedication and skills to accomplish my goals
- I have made connections with many people of various backgrounds across the college campus
- I am an outgoing person who loves meeting new people
- I am someone who is always prepared to take on new projects and listen to others' ideas
- I work best on a team of people

DAVID JOHNSON

AVIATION FLIGHT MANAGEMENT

ABOUT DAVID

Hello Confederation College! I am thrilled about the possibility of being your Vice President next year. I am 23 years old and am currently in the Aviation- Flight Management program. I grew up near a small village in Muskoka, Ontario.

WHAT SHOULD SUCCI DO FOR STUDENTS:

- As Vice President my priority will be listening to students, so that I can learn as much as I can about what's important to every student.
- I am very easy to talk to, whether it be in the halls, the cafeteria, or the gym.
 - I will engage students listen to the issues that they face and develop relations.
 - I will also report back to students what SUCCI is doing for them and transparency will become the new norm.

To show that I am working in your best interest, I am open to hearing about every idea you, the student, has.

WHAT MAKES YOU THE BEST CANDIDATE?

- I am the best candidate for this position because I have plenty of experience representing fellow students and peers.
- I served as Senator of Aviation last year.
- I was a past Valedictorian for my school.
- I represented Canada while on a year-long Rotary exchange in Austria, where I often found myself public speaking.
- I have a strong sense of justice, am responsible, conscious, and reliable.
